

Cursillo Commission  
2007 Annual Report

During the past year, three Cursillo weekends were successfully held at the Georgia Episcopal Conference Center at Honey Creek. Many new Cursillistas have joined the ranks of the previous 111 Cursillo weekends held in Georgia. The Cursillo Commission met four times this year, including a retreat at Honey Creek where goals were established for Cursillo in Georgia. These goals include reducing cost, increasing communication, rejuvenating local Ultreyas, reaching out to potential Cursillistas, and new scholarships. To accomplish the goal of communication, we are creating a new database of information of all Georgia Cursillistas. Information may be forwarded to [sandbach@lawyer.com](mailto:sandbach@lawyer.com)

De Colores!
