

## Supply Priests & Available Non-Stipendiary (Diocesan) Priests as of 07/2009

Congregations are expected to reimburse the priest's travel expenses at the Federal rate (55¢ per mile as of 1/1/2009, to check on possible change, click [here](#)) and overnight lodging where necessary. The current diocesan standard honorarium is \$100 per main Sunday service or funeral (plus \$50 for graveside); \$100 for graveside only; \$25 for each additional Sunday and/or weekday service; \$250, wedding. Non-stipendiary diocesan priests (formerly "respite") cover a congregation when its pastor is away or ill. Non-parochial and retired priests may supply; however, many have some limits on how far they should drive. Assistant priests in your area may also be available. +HIL
